

BOARD CHARTER

1. INTRODUCTION

This Charter sets out the roles and responsibilities of the Board of Directors of Australian Rare Earths Limited (**AR3** or the **Company**).

2. ROLE OF THE BOARD

The role of the Board is to maintain and build AR3's capacity to deliver sustainable total shareholder return, in a manner consistent with the Company's values including prioritising safety, health, the environment and community.

The Company's vision, mission and values (as also disclosed in its Code of Conduct) is attached as Appendix A.

The Board's key responsibilities are to:

- (a) demonstrate leadership;
- (b) determine AR3's purpose and strategic objectives. The Board may do this by reviewing, testing, challenging and providing oversight and input into the management recommended strategic plans for AR3;
- (c) approving AR3's statement of values and code of conduct to underpin the desired culture within the Company;
- (d) monitor Company performance and shareholder value within a framework of appropriate risk assessment and management; and
- (e) appoint the Chairperson and appoint and, when necessary, replace, the Chief Executive Officer (or equivalent position) and other Key Management Personnel, and regularly evaluate their performance.

The Board must perform its role in accordance with the duties and obligations imposed on it by the Company's Constitution and by law.

3. CONSTITUTION

The Board is constituted by the Constitution, under which it is vested with the power to manage the Company. The Board may delegate certain of its powers to the Chief Executive Officer (or equivalent position), Board committees and other persons. The Board retains ultimate responsibility for the management of the Company. The Constitution governs the regulation of meetings and proceedings of the Board.

4. BOARD COMPOSITION AND NOMINATION PROCESS

The Board shall have at least 3, but no more than 9, members. Appointments to the Board are based on merit and are made with a view to maintain an appropriate balance of skills and experience on the Board. The Company has a Remuneration and Nomination Committee which makes recommendations to the Board on Board remuneration, new appointments and matters regarding succession.

In considering such issues, the Committee and Board will consider the skills matrix of its directors and/or senior executives, and whether the Company would benefit from a particular set of skills or experience, which is aligned with the Company's plans and ongoing values. In addition, the Committee and Board will consider other factors such as the number of independent non-executive directors presently on the Board, and the Company's Diversity Policy.

All directors (except for an exempt Managing Director under item 24.3 of the Constitution) shall submit themselves for election or re-election (as the case may be) in accordance with the Constitution.

New directors are given a thorough briefing by the Chairperson and/or Secretary on key Board issues and provided with appropriate background documentation including:

- (a) the Company's financial, strategic, operational and risk management position;
- (b) their rights, duties and responsibilities; and
- (c) the role of the Board and the Board committees.

The Board through the Remuneration Committee will periodically review whether there is a need for existing Directors to undertake professional development opportunities to develop and maintain the skills and knowledge needed to perform their role as Directors effectively. This review may be conducted concurrently with the Board performance review, which is set out below.

Subject to the approval of the Board, a director may appoint an alternate to exercise some or all of the director's powers for a specified period. The appointing director may terminate the alternate's appointment at any time. An appointment or its termination must be in writing and a copy provided to the Company Secretary.

5. CHAIRMAN

The Directors from time to time elect one of their number to the office of Chairman and may determine the period for which that Director is to be Chairman. The Chairman, where possible, will be independent (and not the current or a former Managing Director).
